This Beautiful piece of highly productive farm ground and pasture with developed spring would make a great smaller farm and great place to build your dream home with amazing mountain views. It has a private and secluded feel as you move across the land! It is easily accessed off of a nicely maintained county road. Farm ground recently seeded in alfalfa/grass mix, alfalfa, & sainfoin mix. Amazing views of the Beartooth's and Crazy Mountains! Currently leased through the end of the year.
